

call for proposal

Profit and Non-Profit for Community Benefit

The Pontis Foundation (Slovakia) invites proposals by Russian non-governmental organizations to carry out projects solving community problems or facilitating community activism. Projects must be implemented with input by local or national business companies. Submitted project is expected to develop cooperation between non-governmental organizations and businesses to benefit community development. Deadline of the Call is on Wednesday 15th July 2015.

This Call provides an opportunity to receive a matching grant for particular project for which you have acquired corporate support. **Maximum implementation period is 5 months (1 September 2015 – 31 January 2016) and the maximum requested funds within the Call is EURO 3 700.**

Grant application prerequisite is to have confirmed financial or in-kind contribution from a business company/corporation for the particular project. The requested grant amount must be in line with the confirmed co-financing from business. Non-financial corporate support (materials, products, services, staff time) has to be calculated into financial value. The proposed budget should consist of 50% funds provided by the company and 50% requested from the Call. Corporate matching funds should be proven by letter of intent, which is part of the application.
